ACTION PLAN

If you suspect that a player has a concussion, you should take the following steps:

- 1. Remove athlete from play.
- Ensure athlete is evaluated by an appropriate health care professional.
 Do not try to judge the seriousness of the injury yourself.
- 3. Inform athlete's parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
- 4. Allow athlete to return to play **only** with permission from an appropriate health care professional.
